

## **HONOURING JOE PETERS**

According to those who knew and loved him, Gibsons resident **Joe Cleo Peters** (1934 – 2022) was simply a great guy – a man about town, a bon vivant, a good talker, scholar and philosopher who loved art, learning, libraries, dogs and lively small gatherings.

We're so grateful to Joe for leaving a portion of his estate to Gibsons Public Art Gallery and we are very proud to name our newest exhibition space "Joe's Lounge" in his honour. We'd also like to acknowledge Joe's friends, including Alison Sawyer, Roger Swickis and Judith Hammill for helping to facilitate this gift and legacy.

**Joe's Lounge**, next to the revitalized GPAG library, will now be dedicated to offering GPAG member exhibitions in a small-scale salon-style format for all to enjoy. Applications will be accepted in early 2024.

**THANKS JOE!**
