

Life Drawing Workshop with Thomas Anfield

Supply List

Please note: bring what you like to work with! Thomas' approach works with any medium, with emphasis on how to think of forms in space; so it's very open to different approaches and tools. Most people choose to work with a newsprint pad, and then a sketchbook or pad of better paper. Thomas likes to work with pencils (at least one 2b); and also conte (sanguine is preferred) which works great on newsprint; conte or charcoal are great.

Please bring a drawing board.

1 Newsprint pad

1 Cartridge Pad **OR** Sketchpad (regular 9 x 11 or larger)

1 Conte, Sanguine

Pencils: 2B, 4B, 6B
